Portfolio

## Profile

I am a Digital Arts graduate looking for any job and freelance opportunities. I am organized, creative and pay close attention to detail, which is why I'm able to quickly pick up new skills and work efficiently. I am always learning new things and love to stay productive. Overall, I'm a great member of the team, I always stay positive and create an aura of happiness wherever I go.

## Experience

**Kitchen Porter** | Greene King pub  
09.2019 - 02.2020

Keeping the kitchen clean and organized, taking out the garbage, washing kitchen equipment and utensils, sweeping floors at the start and end of my shifts, helping out kitchen staff.

**Sales Assistant** | "Patogus Mobilus" Mobile phone store and repair service  
01.2017 - 05.2019

Responsible for maintaining the store (point-of-sale processes, serving customers, keeping the store clean and stocked, visual merchandising). During my shifts I worked alone. I improved my communication and customer service skills and learned to work in a fast-paced environment.

## Personal Projects

**Chess Vilnius** | Streetwear fashion brand (03.2017 - 01.2020)  
[@chessvln](#)

- Designed clothes, prints, stickers
- Sold out several releases (20-50 pieces at a time) of original clothes
- Shot and edited video adverts, animations as well as skateboarding films
- Created and curated content for social media account
- Took part in organizing collection release events and video premieres (200-400 attendees)

## Skills

Planning, managing multiple workloads  
Working under pressure, meeting deadlines  
Videography and video editing  
3D Design and Animation (Blender)
